Aarav Mehta

Frontend Developer (React | TypeScript) — B.Tech 2027

New Delhi, India | +91 98765 43210 | aarav.mehta.demo@example.com
GitHub: github.com/aaravmehta-demo | LinkedIn: linkedin.com/in/aaravmehta-demo

CAREER OBJECTIVE

Final-year B.Tech Computer Science student looking for a Frontend Developer internship where I can build accessible, fast web applications with React and TypeScript, and grow into a full-time product engineering role.

EDUCATION

B.Tech, Computer Science and Engineering — Delhi Technological University, New Delhi	2023 – 2027	CGPA: 8.6 / 10
Class XII (CBSE), Science — DAV Public School, Gurugram, Haryana	2023	92%
Class X (CBSE) — DAV Public School, Gurugram, Haryana	2021	94%

TECHNICAL SKILLS

Languages: JavaScript, TypeScript, Python, HTML, CSS, SQL

Frontend: React, Next.js, Tailwind, Figma

Backend & tools: Node.js, REST API, Git

Soft skills: Communication, Teamwork, Problem Solving, Presentation Skills

PROJECTS

Campus Placement Tracker — React, TypeScript, Tailwind

- Built a single-page application where students move applications across Saved, Applied, Interview and Offer stages.
- Designed reusable React components and a localStorage data layer, with a dark mode and fully responsive layout.

Internship Aggregator — Next.js, Node.js, REST API

- Created a searchable catalogue of internship listings with role, skill and location filters and deadline badges.
- Connected a Node.js REST API and added saved searches so students get notified about new matching openings.

INTERNSHIP EXPERIENCE

Frontend Developer Intern — TechStart Solutions, Gurugram (May 2026 – Jul 2026)

- Shipped reusable React components in TypeScript, cutting duplicate UI code across three product pages.
- Improved the careers page Lighthouse performance score from 71 to 94 by lazy-loading images and splitting bundles.
- Collaborated with designers in Figma and used Git for code reviews and daily stand-ups.

CERTIFICATIONS

Meta Front-End Developer Professional Certificate (Coursera, 2026) • AWS Academy Cloud Foundations (2025)

LEADERSHIP & ACTIVITIES

Lead, University Coding Club (2025–26) • Winner, Internal Hackathon 2026 • Volunteer, annual placement cell mentoring sessions for first-year students.
